The President called the meeting to order at 20h20 and welcomed everyone present.

As the March meeting was another installment of the Great Rubber Race, there were no meeting minutes.

WHATS'UP?

Nick announced the Knights of Columbus would not be participating in this years Southern Ontario Model Airshow, (SOMA), on Sat & Sun August 11 & 12, 2007. They provided a food wagon and now other alternatives are being investigated. The SOMA had been scheduled for August 18 & 19, 2007 however it was moved so as to not conflict with the Scale Aerobatics Nationals being held at the Club 400 near Beamsville, just south of Barrie.

Our club will be responsible for designing the event layout and for running the Transmitter Impound Area again this year. R/C TV will be at the event on the Saturday shooting some footage for an upcoming episode.
